Ballet Intermediate Foundations are a continuation of the Royal Dance syllabus. Essential for those who wish to continue on with ballet, or who wish to keep their ballet skills sharp.

Ballet Open High School is taught in an open format and is perfect for beginners or students with previous experience. Classes are suitable for boys and girls and follow the RAD syllabus, forming the basis of a sound training. Students are internally assessed at this level, but do not do external exams.

Drama Company

This is an intensive training programme for gifted and dedicated actors. This fast paced course is certainly not for the faint hearted and we expect the best from Australia's best. Taught by some of the industry's best teachers, Drama Company comprises of five one-hour classes including theatre masterclass, advanced skills, accents & dialects, acting for screen, improv and film making. Students perform on a regular basis and are constantly involved in making short films - building both their stage and screen repertoire. Company members are assisted to gain and maintain theatrical representation. Regular guest teachers, including casting directors, writers, producers and directors, keep a close eye on students and their progress throughout the year. In 2010, numerous students were cast in roles as the direct result of casting director workshops. Check out the website for the latest success stories. Students enrolled in this class will be graded and placed into the correct class for their age and ability.

Location & Situation

Improv classes are essential for students who are serious about acting. With shows such as *Whose Line is it Anyway?* and *Thank God You're Here* achieving top TV ratings, young actors need Improv skills to stay competitive in the industry. Improv is used at auditions, in workshops, at castings, in competitions and in everyday life and it is essential that students are taught by a master teacher, which KPG guarantees. The classes have regular performances and complete street theatre activities, which are always very challenging and amusing when played back on camera. Students enrolled in this class will be graded and placed into the correct class for their age and ability.

International Improv Squad 2010 Term 1 Only- By Audition

The Canadian Improv Games is the biggest High School Improv competition in the world- over 27 000 students competed in 2009. KPG has been invited to field two teams to represent Australia in 2010 and we will start to train teams for 2011. This is a huge honour and we are looking for Australia's finest high school improvisers to be trained in the CIG technique by our master coaches. Entrance into the squad is by audition only and all students selected must be prepared and financially able to travel to Canada in April 2010.
